Israeli storyteller Noa Baum began a heartfelt dialogue with a Palestinian woman while living in the United States. She weaves together their memories, and their mothers' stories, to create a moving testimony that illuminates the complex and contradictory history and emotions surrounding Jerusalem, for Israelis and Palestinians alike.

Noa Baum takes us behind the rhetoric and headlines to hear the true stories of four women, 2 Israelis and 2 Palestinians. In the process, we experience the most precious ingredient for the resolution of any major conflict: mutual compassion.
